## October 2020

November 6th	Admin Day *No Classes
November 11th	Remembrance Day *No Classes
November 12th	Retake Picture Day! KG/KH original Photos
November 19th	Virtual Student Led Conf. 4-7pm
November 20th	Virtual Student Led Conf. 9-11:30am

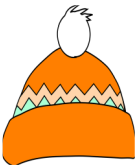

Lunch programs are not being offered this year. Please ensure your child has snacks and lunch for the day. Should you have any question re: hot lunch programs, please contact the ACSL @ [cesacsl@gmail.com](mailto:cesacsl@gmail.com).

CES is unable to supply food for students this year, and do not have our breakfast program in place.

**Lost & Found items have been placed in a box by the bench just outside our main office doors, east side of the school. Please have a look for missing items. We will not have a bucket inside to look through.**

## **Student Clothing:**

Please ensure your child is sent to school with the necessary items for the weather that day. We understand it is difficult some days to gauge how warm/cold it may be, but we ask that all items be sent with the child/ren in the morning. Water bottles are an essential part to your child's day, as we are not allowed access to the water fountains in our building. The bottle fill stations are available to fill the water bottles throughout the day.

**THIS??**

**OR.....**

**THAT?**

## **Reminders:**

Our doors are locked throughout the day, and no visitors are permitted in the building unless approved by the admin team. If you are picking up your child, and they are unaware that you are doing so, please buzz the office at the east doors, and we will notify the classroom. Please note that students must use their cohort doors to enter and exit the building, therefore it may take a moment for them to get around to the east side of the school if they are using the west doors as their entry/exit.

## **Guidance Counsellor Message:**

Kids in the Know is the Canadian Centre for Child Protection's national safety education program. The program engages students with interactive activities to help build skills that increase their personal safety and reduce their risk of victimization online and offline. All classes have been working through the lessons designed by grade level to support kids in their learning about safe adults, stranger danger and feelings. It's been a lot of fun and some great learning is happening in the classroom around these topics. For more information check out the website!

# 2020 Terry Fox Walk!

Students at École Carman Elementary brought donations in support of our Terry Fox Walk at the end of September. In total, students and staff raised **\$689.26!!!** Way to go!

## **Principal Message:**

During the month of October, we began a literacy initiative. An important piece of recovery learning is identifying our student's levels in regards to their reading comprehension and determining what strategies are essential for them to flourish in their reading and understanding text. All students have been assessed, allowing teachers and the Student Support Team to create appropriate reading plans for the children. Please set aside reading time each night in your homes.

“Between the pages of a book is a lovely place to be!”

Student conferences are fast approaching. Please sign up with your child's classroom teacher for a 10 minute appointment via Google Meet, the phone or email. Also, feel free to connect with our Music and Physical Education Specialists. We look forward to “seeing” you all!

Mrs. Affleck, Principal
