FROM: Cecile Affleck, Principal
RE: Kindergarten Registration for fall 2021

**Kindergarten Registration for Carman Elementary School has been set for
January 11-15, 2021.
Carman Elementary School invites you to register anytime
between 9:30 a.m. and 3:30 p.m.**

If your child was born in 2016, he/she is eligible to attend Kindergarten during the 2021-2022 academic year.

To register a child for entrance to kindergarten, the child must reach the age of 5 years before December 31 in order to enroll in the fall term of that year.

Parents are requested to register their child in person. Your child is not required to come at this time. *No appointment is needed.* Please fill out the required forms and bring them to the school during the week of kindergarten registration.

Please bring your child's birth certificate as proof of age. This should be presented at the time of registration *if possible*. If you do not have a birth certificate please bring in the registration form anyway. Once you have received a copy of the birth certificate please bring it in to the school.

The Ophthalmologist/Optomtrist form can be returned when classes begin in the fall term or you may drop it off at the office at any time.

All kindergarten classes will operate on a full day, alternate day basis.

A Kindergarten Information Night will hopefully be held in spring. You will receive an invitation via the mail for this evening.

If you are in need of further information, please contact our school secretary @ 745-2623.
